

Figure 1. Number of AEFI reports and doses administered by week of vaccine administration: Ontario, December 13, 2020 to May 19, 2024

Note:

- AEFI reports are assessed based on date of vaccine administration. The administration week ranges from week 51 (Dec 13 – 19, 2020) to week 20 (May 12 – 18, 2024). May 19, 2024 is not included in the figure as it is not yet a full week.
- The number of AEFI reports for the recent reporting weeks are subject to reporting delays and/or delayed data entry (i.e., reports are likely to still be under investigation and yet to be reported as a confirmed AEFI report).
